B"H  
 The War of Peace

We all would love peaceful lives. No battles and wars. Friendships and brotherhood. So why is the world continuously fighting?

The Torah teaches us that if we want inner peace, fulfilment and happiness we need to fight our natural lazy soul. To stand in a continuous battle to overcome our own selfish self. The overindulgence in self has been proven to be damaging. This thought may sound absurd but it is a fact. Inner peace needs to be fought for.

In this world it is also the selfishness of individuals (Zimbabwe, Iran etc) which over indulge in their own selves and everyone else has to suffer. If we do not fight for that peace we will never experience it.

For more come to Chabad House for Kabbalat Shabbat

Warm regards,

Rabbi Shalom White
