How to overcome anti-Semitism

Jacob was returning to Israel, he needed to confront Esau whom was on his way with 400 men. Esau was full of anger and revenge. What does Jacob do to destroy the hatred? Jacob sends a message, "Esau, I have been living all these years in the most corrupt society. Yet I have stayed faithful to my true identity, to my faith!!!"
 Even Esau can appreciate this achievement.
 My friends, the stronger and more involvement in your tradition will only give you honor and respect in the eyes of your neighbors. Here is a person of integrity and principle.

Have a great Shabbat.

COMMUNITY MESSAGE

As my last week working for Chabad WA I just wanted to thank Rabbi White, Odeya and the entire community for making my job so enjoyable and fulfilling. Although I will no longer be formally working for Chabad I of course will still be around to help and look forward to our community moving from strength to strength in the coming year.
